Kaipara River Helensville

DAY TWO Dargaville to Pouto – Helensville (maybe reversed Boat Dargaville to Helensville if you did Pouto on day one.)

This morning after breakfast, our coach will collect you for the journey along the Pouto Peninsula to reboard Kewpie Too at the old Marine station at Pouto Point.

Our first stop as we depart Dargaville is the Northern Wairoa Maritime Museum where you will be guided through this facility by one of Dargaville's local historians. This museum houses the relics and will tell you the story of the many shipwrecks which fell foul of the Kaipara Bar and West Coast as well as the history of the kauri and gum diggers.

After your museum visit, we head South in our coach towards Pouto Point, we pass through the old kauri mill towns of Aratapu and Te Kopuru before heading through the rolling farmlands with extensive views of the Kaipara Harbour.
